

Out of Hours Nursing Care at Home Service

An on-call night-time service
for palliative, end-of-life
patients, provided at home

We're Here to Help

- This service supports patients with any palliative condition in last days of life within Newry City or the BT35 area.
- We offer symptom management and nursing care to patients in their own homes.
- Offer advice and reassurance to patients and their families.
- Support end of life care needs.
- Collaborate with other services who are involved in the patient's care.

Who can ask for this Service?

- General Practitioner (GPs).
- Acute and community specialist palliative care team.
- District nursing team.
- Hospital nurse specialists.
- Our Inpatient Unit staff.

How to get services

- Clinical Communication Gateway (CCG) for GPs. Or,
- Email the Regional Palliative Care form to: referrals@evorahospice.org highlighting "OOH Nursing Care at Home Service" referral.
