PRIZE DRAW

A Little Means A Lotto

Play Today, Make a Difference Tomorrow

Evora Hospice Services cares for local people living with Cancer, Multiple Sclerosis, Motor Neurone Disease and other life limiting illnesses. We also provide ongoing support to patients' families and carers. To do this, we must raise over £3 million each year and our Lottery contributes over £170,000 towards this total.

With the chance of winning weekly cash prizes UP TO £5,000, in the knowledge that you're raising funds for your local Hospice, really is a Win Win.

Play our Lottery for £1 per week for a year and your donation could pay for two hours of counselling support for patients and their families.

A Little Means A Lotto

The money you donate could help people just like Ms Murphy from Newry who benefitted from our Bereavement Counselling after the loss of her father.

'The grief counselling I received in the Hospice was invaluable to me. I had no idea what to expect going in, but little by little I started to feel a massive difference in how I was feeling, I felt like a huge weight had been lifted off my shoulders. I never once felt pressured for the counselling to end, they were there for me for as long as I needed them. My counsellor, Catherine was excellent, she gave me help and support with many aspects of my life, not only specific to my grief, she also provided me with practical and emotional support. Sometimes it takes a little push to reach out for help but I couldn't recommend this service strongly enough. Thank you for all your help.'
